LSO – Brace: LMN

Patient Name: Polanco, Divardy
01/27/2025

Date of Service:

Type of Bracing

Type of Bracing required:

L0642- Lumbar orthosis, sagittal control, with rigid anterior and posterior panels, posterior extends from L-1 to below L-5 vertebra, produces intracavitary pressure to reduce load on the intervertebral discs, includes straps, closures, may include padding, shoulder straps, pendulous abdomen design, prefabricated, off the shelf.

Diagnosis

Onset of Dx: 1/15/2025 MVC

Diagnosis Codes:

Cervical radicular pain - M54.12 (Primary) Sprain of ligaments of thoracic spine, initial encounter - S23.3XXA Acute post-traumatic headache, not intractable - G44.319 Muscle weakness - M62.81 Other specified dorsopathies, cervical region - M53.82 Muscle spasm - M62.838 Joint stiffness - M25.60 Paresthesia of lower extremity - R20.2 Other fatigue - R53.83 Lumbar radicular pain - M54.16

Indications & Expected Benefits

Adjunctive treatment to facilitate healing S/P injury to spine or soft tissues
Support weak spinal muscles and / or deformed spine
Significantly increase mobility without pain
Relaxation of muscle spasm
Significant reduction of pain

Duration of need, Prognosis, Alternative Modalities Used

Duration of need: PRN Pain

Prognosis: Good Alternative

Modalities Used:

Stretching Manual Therapies

Instructions for Use

Frequency of use: 1+ times per day and PRN

Length of use: 6+ months

Time of treatment: 4-6 hours and PRN

The Lumbar-sacral Orthosis, helps alleviate pain and speed rehabilitation by providing effective stabilization and unloading on the spine. It has sagittal control, with rigid anterior and posterior panels, posterior extends from sacrococcygeal junction to T-9 vertebra, produces intracavitary pressure to reduce load on the intervertebral discs, includes straps, closures, may include padding, shoulder straps, pendulous abdomen design, and is prefabricated. Instructions for Use

Frequency of Use: 1-3x per day and PRN

Length of Use: 7 days

Time of Treatment: 8 hours

A 7-day supply of lidocaine patches was issued to the patient. A topical treatment that can be used alone or with other medications to treat pain. Lidocaine penetrates directly into the skin to reach the damaged nerves to help provide relief at the site of the pain. Patient was prescribed lidocaine patch with lidocaine 4% and menthol 1%.

Utilizing accepted medical practice standards, the above-prescribed topical analgesic is essential in the continuous treatment of this patient. The lidocaine patches were shown to the patient and the patient was instructed on how to apply them to areas of treatment. By signing below, all parties confirm that education of the indications, contraindications, risks and expected benefits for use of this product has been provided and discussed. AUTHORIZATION LIEN. IRREVOCABLE ASSIGNMENT OF BENEFITS & CONSENT/GUARANTEE OF PAYMENT

RELEASE OF INFORMATION: I authorize Complete Care Centers, LLC to release any information pertinent to my case to any insurance company, my legal representative(s), or adjuster to facilitate collection under this authorization and assignment. I hereby release Complete Care Centers, LLC of any consequences thereof. I authorize Complete Care Centers, LLC and its staff to communicate with other doctors as it pertains to my diagnoses or treatment. I also authorize any holder of medical chiropractic information about me to release the health care financing administrators or insurance adjuster agents any information needed to determine these benefits for related services.

IRREVOCABLE ASSIGNMENT OF CAUSE OF ACTION: In the event my insurance company is obligated to make payments to me or reimburse me for Complete Care Centers, LLC's health care goods or services rendered to me in connection with or related to my injuries or illness, and fails to make such payments or to reimburse me upon demand by me or Complete Care Centers, LLC as the assignee of such benefits hereunder, I hereby assign and transfer to Complete Care Centers, LLC any and all causes of action that exist in my favor against any said insurance company and authorize Complete Care Centers, LLC to prosecute such claims or causes of action as it sees fit as the assignee of such benefits and attendant rights. I agree to cooperate, provide information as needed, and appear as needed, wherever to assist in the prosecution of such claims for benefits upon request. It is understood that until all reasonable efforts have been made to collect sums due from the insurance company (or companies) providing personal injury protection or medical payments coverage insurance benefits to me for my related health care expenses, Complete Care Centers, LLC will temporarily refrain from attempts to collect from me those same amounts covered by such benefits. I understand however that I am directly responsible for the amounts not covered by such benefits, including, for example, required co-payments and any applicable deductibles.

DIRECTION TO PAY: I authorize and direct my insurance company receiving a copy of this document and/or my legal representative(s), to pay directly to Complete Care Centers, LLC any sums as may be due and owing to Complete Care Centers, LLC in connection with or related to my injuries or illness for which I receive health care goods and services from Complete Care Centers, LLC, and to withhold such sums from any settlement, judgment or verdict obtained on my behalf as may be necessary to adequately protect Complete Care Centers, LLC's right to payment in connection with rendering said goods and services to me. I hereby further give a lien to Complete Care Centers, LLC on and against any proceeds of any settlement, judgment, or verdict that may be payable to me in connection with or related to the injuries or illness for which I receive health care goods and services from Complete Care Centers, LLC.. This is to act as an assignment of my rights and benefits to the extent of Complete Care Centers, LLC's charges for such goods and services provided to me. Further, I hereby instruct my insurance company receiving a copy of this document to request that, in the event the subject health care goods, services and/or benefits are disputed for any reason, the amount of benefits being claimed by Complete Care Centers, LLC are to be held in escrow and not disbursed until the dispute is resolved. Complete Care Centers, LLC is hereby given Special Power of Attorney to endorse/sign my name on any and all claim forms for payment of my charges for the goods and services I receive from Complete Care Centers, LLC. If my policy prohibits direct payment to the provider, then I hereby also instruct and direct you to make checks payable to me and Complete Care Centers, LLC and mail the payment to me, in care of Complete Care Centers, LLC, 555 Winderley Pl, Suite 105, Maitland FL 32751.

NOTIFICATION OF CHANGES: I will notify Complete Care Centers, LLC of any changes in my health status, home and work information, or anything else relating to the information on this authorization.

CONSENT FOR TREATMENT AND GUARANTY OF PAYMENT: I hereby consent to the rendering of health care goods and services for me (or my child or ward, as applicable) listed below. I voluntarily consent to examination and x-rays, if medically necessary, to aid in evaluating the subject injuries or illness. **I declare that I am not pregnant, nor is pregnancy suspected, or, if I am or suspect I am pregnant I will immediately inform the person providing me this document and I will write the word**

"Pregnant" in large letters on the first page of this document. I also voluntarily authorize the physician(s) treating my injuries or illness to treat my condition as they deem appropriate. I hereby direct my legal representative(s) that before any monies are released to me, they shall pay out of any proceeds of settlement, judgment or verdict obtained on my behalf the full amount of Complete Care Centers, LLC's unpaid balance for health care goods and services rendered to me in connection with the subject injuries or illness. Absent a separate agreement setting forth a payment plan with Complete Care Centers, LLC, I understand that if:

- A. There is no insurance company obligated to pay for Complete Care Centers, LLC's health care goods or services,
- B. The insurance company involved fails to acknowledge an assignment to the assignee or make other provisions for the protection of the interest of Complete Care Centers, LLC,
- C. A liability claim exists in connection with my injuries or illness for which I receive services from Complete Care Centers, LLC, and my legal representative refuses to agree to protect the interest of Complete Care Centers, LLC in any resulting settlement, judgment or verdict, or
- D. A liability claim exists in connection with my injuries or illness for which I received services from Complete Care Centers, LLC, and a settlement, judgment or verdict is entered on such claim,

Then payment for the health care goods and services rendered by Complete Care Centers, LLC to me will be immediate due and owing in full. Should I fail to satisfy any balance due to Complete Care in accordance with the forgoing, it may be subject to 1.5% per month (18% per year) finance charge. If the default is referred to a collection agency and/or for legal action, I agree to pay for reasonable costs of collection, including reasonable attorney fees and costs.

I waive all statutes of limitation defenses on any claim or cause of action that Complete Care Centers, LLC may have or hereafter acquire against me regarding payment for the health care goods and services provided to me, including the charges, whether any such claim be in law or equity.

I understand and agree that Complete Care Centers, LLC is relying on the forgoing promises, agreements, and representations in agreeing to render health care goods and services to me, and I agree that such reliance by Complete Care Centers, LLC is reasonable. Further, I agree that all the rights given to Complete Care Centers, LLC herein, are and shall constitute a grant coupled with an interest, and therefore, among other things, shall be irrevocable by me, the undersigned patient (or parent/guardian), and no obligation of mine Complete Care Centers, LLC is or can become delegable to any other person.

My signature below verifies I have read and understand the above condition of acceptance as a patient (and or parent/guardian of the subject patient) at Complete Care Centers, LLC and I agree to these conditions.

TERMS AND ACCEPTANCE AND CONSENT FOR CARE

CONDICIONES Y ACEPTACIÓN Y CONSENTIMIENTO PARA LA ATENCIÓN

We will attempt to identify and diagnose any ailments you may have that may be corrected through physical medicine, active/passive rehabilitation, diagnostic imaging and/or chiropractic care, and/or orthopedic medicine. If any condition or disease appears to be present out of our scope by practice, we will refer you to an appropriate physician to diagnose and/or treat that condition. Through specific procedures, we reduce and/or correct physical or physiological disturbances. It may be necessary to examine an individual each time a new injury occurs and often x-rays or other diagnostic procedures are necessary to maintain the utmost safety when dealing with your body. The risks of orthopedic, physical medicine, diagnostic imaging and chiropractic medicine are minimal when dealing with a licensed professional; however, if you have concerns about these risks, please discuss them with the doctor prior to the examination.

Intentaremos identificar y diagnosticar cualquier dolencia que pueda tener y que pueda ser corregida a través de la medicina física, la rehabilitación activa/pasiva, el diagnóstico por imagen y/o la atención quiropráctica, y/o la medicina ortopédica. Si alguna condición o enfermedad parece estar presente fuera de nuestro ámbito de práctica, le remitiremos a un médico apropiado para diagnosticar y/o tratar esa condición. A través de procedimientos específicos, reducimos y/o corregimos alteraciones físicas o fisiológicas. Puede ser necesario examinar a un individuo cada vez que se produzca una nueva lesión y, a menudo, son necesarias las radiografías u otros procedimientos de diagnóstico para mantener la máxima seguridad al tratar con su cuerpo. Los riesgos de la medicina ortopédica, la medicina física, el diagnóstico por imagen y la medicina quiropráctica son mínimos cuando se trata de un profesional con licencia; sin embargo, si le preocupan estos riesgos, coméntelos con el médico antes del examen.

I have read and fully understand the above terms of acceptance. I hereby give my consent to Complete Care Centers, LLC to evaluate me and determine my condition and treat me for such conditions. I also understand that I may at any time discontinue with the exam and/or treatment if I so choose.

He leído y entiendo completamente los términos de aceptación anteriores. Por la presente doy mi consentimiento a Complete Care Centers, LLC para que me evalúe y determine mi condición y me trate por dichas condiciones. También entiendo que puedo en cualquier momento discontinuar con el examen y/o tratamiento si así lo decido.

NOTICE OF PRIVACY PRACTICES:

Complete Care Centers, LLC, (CCC) is required by law to maintain the privacy of your protected health information. The Notice of Privacy Practices tells you how your protected health information may be used and how CCC keeps your information private and confidential. This notice explains the legal duties and practices relating to your protected health information. As a part of CCC's legal duties this Notice of Privacy Practices must be given to you upon your request. CCC is required to follow the terms of the Notice of Privacy Practices currently in effect. CCC may change the terms of its notice. The change, if made, will be effective for all protected health information that it maintains. New or revised notices of privacy practices will be posted on CCC Centers and will be available by email upon request. Uses and Disclosures of your protected Health Information

Protected health information includes demographics and medical information that concerns the past, present, and/or future physical or mental health of an individual. Demographics information could include our name, address, phone number, social security number and any other means of identifying you as a specific person. Protected health information contains specific information that identifies a person or can be used to identify a person. Protected health information is health information created or received by a health care provider, health plan, employer, or health care clearinghouse. CCC can act as each of the above business type. This medical information is used by CCC in many ways while performing normal business activities. Your protected health information may be used or disclosed by CCC for purposes of treatment, payment and health care operations.

Healthcare professionals use medical information in the clinics or hospitals to take care of you. Your protected health information may be shared, with or without your consent, with another healthcare provider for purposes of your treatment. CCC may use or disclose your health information with case management and services. CCC may send the medical information to insurance companies, Medicaid, or community agencies to pay for the services provided to you. Your information may be used by certain department personnel to improve CCC's healthcare operations. CCC also may send you appointment reminders, information about your treatment options or other health related benefits and services. Some protected health information can disclose without your written authorization as allowed by law. Those circumstances include:

- Reporting abuse of children, adults, or disabled persons.
- Investigations related to a missing child.
- Internal investigations and audits by CCC's divisions, bureaus, offices.
- Investigations and audits by the state's Inspector General and Auditor General and the legislature's Office of Program Policy Analysis and Government Accountability.
- Public health purposes including vital statistics, disease reporting, public health surveillance, investigations, interventions, and regulations of health professionals.
- District medical examiner investigations.
- Research approved by CCC.
- Court orders, warrants, or subpoenas.
- Law enforcement purposes, administrative investigations, judicial and administrative proceedings.

Other uses and disclosures of your protected health information by CCC will require your written authorization. This authorization will have an expiration date that can be revoked by you in writing. These uses and disclosures may be for marketing and for research purposes. Certain uses and disclosure of psychotherapist notes will also require your written authorization.

Individual Rights

You have the right to request CCC to restrict the use and disclosure of your protected health information to carry out treatment, payment, or health care operations. You may also limit disclosures to individuals involved with your care. CCC is not required to agree to any restrictions. You have the right to be assured that your information will be kept confidential. CCC may mail or call you with health care appointment reminders. We will make contact with you in the manner and at the address or phone number you select. You may be asked to put your request in writing. If you are responsible to pay for services, you may provide an address other than your residence where you can receive mail and where we may contact you. You have the right to inspect and receive a copy of your protected health information. Your inspection of information will be supervised at an appointed time and place. You may be denied access as specified by law. If access is denied, you have the right to request a review by a licensed health care

professional who was not involved in the decision to deny access. This licensed health care professional will be designated by CCC.
